Description

Use our 10,000mAh Full-Color Print Magnetic Power Bank to charge your phone without the burden! Made of high-quality ABS plastic, it supports screen printing, engraving, and UV printing, allowing you to customize the design you want on the black surface. UV printing can be done single-sided or double-sided, while engraving offers 9 types of radium-carved luminous logos. The magnetic charging mode eliminates the hassle of dealing with charging cables, bringing great convenience to your life. It's the perfect companion for when you're on the go.
