Description

This reversible sublimated tee does the work of two T-shirts--just flip it inside-out to show off your alternate design. Made of 100% polyester micro-mesh, is moisture wicking, anti-bacterial and cool to wear. Featuring invisible hems at the neck, sleeves ends and bottom. Delicate stitching and advanced colour fixing technology allows you to achieve the attractive double sided print design. Designed as a practice and warm-up shirt for athletes playing basketball, soccer, AFL, baseball and more, the reversible tee also works great for many other outdoor activities and events.
