Description

Premium face mask which can be reused by hand washing it in warm water. This deluxe mask features a nose wire to provide a more secure, comfortable fit and has matching black ear loops with adjustable silicone toggles to ensure one size will fit most people. The mask has darts stitched into the front panel to create more structure, keeping the mask's material away from the nose and mouth. This face mask provides protection with two layers of blended 150gsm cotton/spandex and an additional outer layer of blended 170gsm polyester/spandex. This mask is manufactured for use in the home or for recreational or occupational use and must be ordered in multiples of 25pcs. A production lead time of 25 working days applies to this product by air freight and larger orders can be sea freighted on request to reduce the freight cost.
