Description

The NFC Directview Stylus Pen combines style and functionality with a click-action plastic design and inbuilt stylus for touchscreen use. Featuring integrated NFC technology, it offers modern convenience in a sleek, timeless design. Ideal for writing, navigation, or NFC connectivity, this pen ensures smooth writing with 1200 meters of black ink distance. Perfect for professionals and tech enthusiasts. Uploading data to each pen is available at additional cost. We can load a variety of content, including website URLs, contact details, social media platforms, or digital business cards. (Compatible with most NFC-enabled smartphones, including iPhone 7 and later, and most Android devices from 2015 onward.)
