Description

The Biodex Microfibre Lens Cloth is a smarter choice for cleaning your lenses and screens—without leaving a mark on the planet. Designed to gently remove oil, dust and smudges, it offers the same performance you expect from quality microfibre, with the added benefit of environmentally responsible materials. This cloth naturally decomposes over time in landfill conditions and is completely microplastic-free. Customise it with a full-colour design to suit your brand or message. It's ideal for cleaning sunglasses, eyeglasses, camera lenses, phones, monitors and more. Supplied as standard in a cello bag or in bulk. Material: Biodegradable Polyester 100% 205gsm
