Description

The Popper Ball is a giveaway with a twist — and a pop. Made from soft silicone, this novelty ball is dotted with push-pop bubbles that invite endless pressing, flicking, and fiddling. It's part stress reliever, part desk toy, and part brand billboard, thanks to a flat decoration panel that keeps your logo on show. Lightweight and easy to toss in a bag, the Popper Ball is the kind of fun promo piece people can't help but play with. Available in 8 bold colours to match your brand. Material: Silicone
