Description

This sublimated Fishing T-shirt is the best way to promote your club or brand while outdoors. It is made of 94% Polyester 6% Spandex, 180gsm ice silk fabric, making it cool to wear, soft and comfortable for outdoor use. It wicks moisture effectively and is also fast-drying and fade-resistant. Sublimation helps showcase your logo, name, number or club slogan while ensuring long-lasting use without fading. There are different sizes to meet the varying needs. Show your team colours today.

Notes

Details such as measure, weight indications are approximate figures only. We reserve the right to change colours, printable areas, technical details or designs.

To achieve effective branding logo display, we recommend the following:

- For the front chest and mid back, we suggest a maximum width of 30cm. For the back, we suggest a maximum width of 40cm.
- All text must be legible and readable.
- All text must be legible and readable.

To achieve effective branding logo display, we recommend the following:

- Maximum width of logo is 10cm. For the back, we suggest a maximum width of 15cm.
- All text must be legible and readable.
- All text must be legible and readable.

Please note that designs that extend from the body of the item to the neckline or collar, often may not match up perfectly due to differences in curves of the material.

When a pattern extends across 2 panels, such as connecting the front and back panels in a side seam, often designs will not perfectly align. Generally there's about 0.5cm allowance for this mismatch.

ADDITIONAL CUSTOM LABEL AND PACKAGING

1. Customised labels and packaging
2. Customised labels and packaging

Labels with a custom content across all labels count as one design. If you require different content across the front of shirt, additional design costs will be applicable. For example, if you have different content printed on different shirts, this will require a separate design and content.
