### Description

A fun therapeutic item that the user spins between their fingers and can learn to do tricks with. Its simple spinning action is addictive and provides hours of stress relieving fun. The momentum produced provides a pleasing sensory experience while the challenge of tossing, transferring and twirling it has spawned an entire universe of instructional YouTube videos. Spinners are extremely popular and offer an exciting opportunity to put a logo or message in the hands of a huge potential audience. Due to small parts this item is not intended for use by children under the age of 3 years.
