Description

The Ombra Umbrella keeps the day moving even when the weather isn’t on your side. Its 21-inch canopy is made from super water-resistant fabric, paired with automatic open-and-close action that’s quick on the draw. It comes with a water-absorbent carrying bag to keep things tidy, plus a carabiner handle that clips onto bags so it’s never left behind. A tidy little storm-ready essential with your branding front and centre. A great way to associate your brand with reliability, safety, and looking after their people.
