Description

The Orbyt Phone Grip & Stand is a refined magnetic accessory designed to elevate the way you hold, view, and interact with your phone. Crafted with a solid, high-quality construction and finished in a smooth matte black, it delivers a noticeably premium feel in hand while maintaining a clean, minimalist aesthetic. Engineered with a MagSafe-compatible magnetic connection, it aligns seamlessly and holds with confidence to the back of your phone or MagSafe case. For non-MagSafe devices, a precision-cut metal ring with adhesive backing is included, ensuring the same secure, reliable performance across all devices. The integrated ring functions as both a comfortable grip and a fully adjustable stand, supported by a heavy-duty metal hinge that moves smoothly and holds its position with confidence. Whether in portrait or landscape, it provides a stable, hands-free viewing experience for calls, content, or everyday use. A discreet QR code is subtly integrated into the back, guiding users to simple setup instructions, while each unit is presented in a black cardboard sleeve for a polished, professional finish from the moment it's opened. Material: ABS, Aluminium

Details

Packaging

Each Phone Grip is supplied in a black cardboard sleeve.

Item Size

60mm Diameter x 4mmH
