Description

The Thunder 600ml Bottle brings a bold, everyday-ready feel with its recycled aluminium body and colour-matched push-pop lid. Light in the hand, easy to carry and fitted with a built-in carabiner, it clips onto bags, backpacks or gym gear without slowing anyone down. At 600ml, it hits that sweet spot between handy and hearty, giving your brand a bottle people will actually reach for. Perfect for tradies, office workers, and students. Please note: The Thunder Bottle is printed with the lid removed, so we're unable to guarantee logo placement in a specific position relative to the lid when it is closed.
