I am made of
Plant Fibre

Description

Made from plant fibre, the Ruma Wireless Speaker is a stylish and eco-conscious choice for modern audio needs. This promotional Bluetooth speaker features a sleek, expandable design, adding a dynamic touch to any desk. With advanced technology delivering high-quality, clear sound, it ensures a rich listening experience. Its warm, natural finish provides the perfect backdrop for branding, making it a standout promotional product with both style and sustainability in mind.
