Description

Odyssey is the future of power banks with 10,000mAh of power storage. It features a 5W wireless phone charger that is compatible with devices enabled for wireless charging and will charge most modern phones. Odyssey also offers conventional charging and has twin outlet ports so it can charge two phones at once. It has an input power of 5V/1.5A and an output power of 5V/2.1A. Recharging time is seven hours from a USB port or a mains adaptor and it has a handy power gauge. It is supplied with a Micro-B USB cable and an instruction leaflet. An optional EVA carry case and a triple connector cable are available on request.
