Description

Thick dual action microfibre screen cleaning cloth which can be washed and reused many times. It is presented in a clear storage pouch and can be used with or without screen cleaning fluid. The Smart Screen Cleaner is ideal for cleaning all screens from the smallest phone to the largest television and is also great for eyeglasses and car dashboards etc. The textured grey reverse side is for general cleaning and the smoother branded side will polish screens like new. It can be branded in spot colours or full colour and the edges are overlapped in grey. A production lead time of 25 working days applies to this product by air freight and larger orders can be sea freighted on request to reduce the freight cost.
