Description

Soft PU with a clean, understated finish — the sort of backpack that suits a client meeting rather than announcing itself. Nine litres takes a 14-inch laptop plus the rest of a working day’s gear, rated to 10kg. Padded shoulder straps for the commute and a top carry handle for the moments when it’s easier to grab than wear. The PU repels light rain, moisture and the spilled coffee that eventually happens. Large branding area on the main panel. Good fit for corporate onboarding, finance and insurance, real estate, tech, recruitment, conferences and universities. Load rating: 10kg Material: Soft PU, water resistant
