Description

The Swiss Peak Urban Unisex Windbreaker is built for protection without the bulk. Crafted from 75gsm ripstop fabric, it carries a water-resistant rating of 5000 and a breathability rating of 1000, keeping you protected and comfortable on the move. The jacket folds into its own compact bag when not in use. Available in eight Australasian sizes, the Swiss Peak Urban Windbreaker has been built for the elements and designed for everyday wear.
