Description

The Darby Tote Bag is a generously sized everyday carry that feels as good as it looks. Made from 540gsm polycotton and polyester, it has a substantial, quality feel that sets it apart from a standard tote. At 16 litres it has plenty of room for the essentials, and the drawstring closure keeps everything secure without making the bag harder to use. Two long handles make it easy to wear over the shoulder, while two short handles give you the option to carry it by hand. A large front pocket adds handy quick-access storage for the things you need to grab on the go. Available in Black, Grey, Navy Blue, and Natural. Material: Polycotton, Polyester
