Description

The Hampton Tote Bag by The Line Edit is a structured, generously sized everyday bag that carries itself with quiet confidence. Made from polyester with a soft polyester lining, it holds its shape whether it is full or empty, making it as polished on the way to the office as it is heading to the weekend market. The magnetic clasp closes the main compartment securely, while the large front pocket is roomy enough for a phone, keys, or the everyday essentials you need to grab on the go. The classic stripe design is available in three colourways, Black, Navy Blue, and Natural, each featuring natural toned stripes for a timeless, relaxed aesthetic. With a 19 litre capacity and two sturdy handles, the Hampton is built to carry more than most without compromising on how it looks doing it. Each bag comes with a The Line Edit branded tag. Material: Polyester
