Description

The postage-friendly one. The Custom Box with Locking Lid in 290 x 175 x 60mm is sized to fit an Australia Post Medium satchel, so freight is predictable before your customer commits to the campaign. The slim 60mm depth suits flatter contents beautifully, a tee, a notebook and pen set, stationery, chocolate, or a handful of tech accessories. The locking lid closes with a secure ear-lock, no tape or glue needed, which keeps the presentation clean when the box is the first thing your customer's client sees. Made in Australia from 1.5mm corrugated cardboard, it is supplied flat-packed and undecorated in white media as standard, so it stores flat and locks together in seconds. Add full colour print to the outside, the inside, or both, edge to edge if the design calls for it, and choose assembly, shred in box, or have us pack our products from your order in for you, all available at an additional cost.
