Description

The everyday workhorse. The Custom Box with Locking Lid in 300 x 210 x 70mm has an A4-friendly footprint and 70mm of external depth, which makes it the go-to for onboarding packs, conference kits, and thank-you gifts that need a few items sitting side by side. A notebook, a drink bottle laid flat, a cap, a few treats, it all fits without the contents rattling around. The locking lid closes with a secure ear-lock, so nothing shifts on the way and there is no tape or glue to spoil the look. Made in Australia from 1.5mm corrugated cardboard, it is supplied flat-packed and undecorated in white media as standard. Add full colour print to the outside, the inside, or both for a proper unboxing moment, edge to edge if the design calls for it, and take the assembly, shred in box and packing options if your customer wants it to land ready to gift, all available at an additional cost. Material: Cardboard
