Description

Room to go big. The Custom Box with Locking Lid in 360 x 305 x 105mm comfortably holds a full multi-item kit, apparel, drinkware, a notebook, a tech piece and a few extras, all in one hit. It is the size to reach for when the gift needs to feel substantial the moment it is picked up. Made in Australia from 1.5mm corrugated cardboard, it stands up to a heavier fill, and the locking lid closes with a secure ear-lock so everything stays where you put it. No tape, no glue, no compromise on the presentation. It is supplied flat-packed and undecorated in white media as standard, with full colour print available on the outside, the inside, or both, edge to edge if the design calls for it. Add assembly, shred in box, and packing of our products from your order, all available at an additional cost, and your customer gets a finished presentation piece straight out of the carton. Material: Cardboard
