Description

The showstopper. The Custom Box with Locking Lid in 410 x 255 x 150mm is our largest size, and the 150mm of external depth is what sets it apart, because it gives you room for a generous, layered fill rather than a single flat layer. Bulkier items pack in comfortably without being squashed, so a multi-item gift still closes cleanly. That makes it the pick for premium client gifts, staff milestone hampers, and end-of-year kits where the box is genuinely part of the gift. Made in Australia from 1.5mm corrugated cardboard, it holds its shape under a generous fill, and the locking lid closes with a secure ear-lock so nothing moves in transit. No tape, no glue, just a clean finish. Supplied flat-packed and undecorated in white media as standard. Full colour print on the outside, the inside, or both, edge to edge if the design calls for it, along with assembly, shred in box, and packing of our products from your order, are all available at an additional cost.<. Material: Cardboard
