URL Link: <https://ultimateinspiration.com.au/product/hadron-wireless-charger-fabric>

Description

Wireless 5W phone charger which is finished with trendy poly-canvas fabric. It will charge devices that are enabled for wireless charging and will work with most modern phones. Simply plug it into any USB port or a mains adapter and place a compatible device on it for convenient wireless charging. Hadron is presented in a black box with an 80cm Micro-B USB cable and an instruction leaflet. Please note that some phone cases may affect the wireless charging connection. The wireless charger will work at the optimum power level when used with a 5V/2.4A mains adaptor. Using a PC/laptop USB output to power the wireless charger may lead to slow charging, or not charging at all. Other factors like, positioning on the charging surface and the type of case used may also impact wireless charging.

Details

Packaging

Individual Gift Box.

Item Size
