Description

The Reforest Jute Tote Bag combines sustainability with purpose. Made from natural jute fibre and now featuring a 140 GSM cotton front pocket, it's as practical as it is eco-friendly. With every order, native trees are planted across Australia, restoring degraded landscapes, one tree for every 100 bags sold. Each bag also comes with a recycled paper tag, sharing the story of this reforestation initiative. Carry your essentials while making a real impact. &nbsp; Material: Vegetable Fibre & 140 GSM Cotton. Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA per colour. For digital transfer printing, please ensure art and colours are at full opacity.
