Description

A zippered waist pouch ideal for holding ID, keys, MP3 player, smartphones, etc. while running or exercising. Slim design allows the waist pouch to sit close to the body causing less obstruction than traditional waist packs. Constructed of stretchable Lycra material these pouches are able to accommodate most smartphones. Separate stitched section for small items like keys and a larger section with earbud cut-out which can accommodate larger items like phones. One size fits most convenience. Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA per colour. For digital transfer printing, please ensure art and colours are at full opacity. Keywords: sports, sport
