Description

The Braemar Glass Cheese Board & Knife Set features a tempered glass board inset into beautifully crafted acacia wood. A hidden drawer in the base keeps a 3-piece knife set neatly stored. Known for its unique natural contrasting patterns, each piece is one of a kind. Presented in a premium book-style gift package, this set is the perfect addition to any gathering or a thoughtful gift. Please be aware of a key characteristic of wood, our acacia wood has both visible growth rings and straight grains, no two wood products will be the same. We can laser engrave, however, please note no two products will have the same outcome. We encourage Food Grade Ink, which is FDA-approved.
