Description

The Sterling Custom Cheeseboard combines tradition with innovation. Crafted from acacia wood, it features a stainless steel inset blade held securely by magnets. With a rustic yet practical finish, the board includes a handle and leatherette hanging strap for easy storage. Presented in a premium book-style gift package, it brings together classic elegance and modern functionality for a standout addition to any kitchen or dining experience. Please be aware of a key characteristic of wood, our acacia wood has both visible growth rings and straight grains, no two wood products will be the same. We can laser engrave however please note no two products will have the same outcome. We encourage Food Grade Ink, which is FDA-approved.
