Description

The Carter High Bounce Ball is here to kickstart your fun and stress-relief game! With its unique moon crater design, this ball is made from dense PU material, perfect for both bouncing and squeezing. The harder you throw, the higher it bounces—so get ready for some seriously high-flying action. It’s a great way to keep boredom at bay and relieve stress. Just a heads-up, it’s not suitable for kids under 5 and is best kept away from pets. Let the bouncing begin!
