Description

This shark-shaped stress reliever is made from soft polyurethane and is ready to take a bite out of your stress levels. With a fun, eye-catching design, it's perfect for promotions with a bit of personality. Due to a factory mould mark, we recommend printing with the shark-facing left for the best result. Due to the nature of stress items print imperfections can occur such as ripples in print, small spots and marks, even with double ink pad prints as our standard.
