Description

Your message will hang around with our Car Deodorisers, the perfect billboard for any car! Made from scented heavyweight coaster board with a black elastic loop, these deodorisers are available in standard car shape or a custom die-cut shape of your choice. Choose from the current fragrances of Lemon, Apple, or New Car, and ask for the availability of other scents. Note that Pantone colour match is almost impossible as coaster board changes the look of colours. Always request samples to ensure satisfaction. Material: Coaster board
