Description

This 4 in 1 this cable provides a convenient solution for charging multiple devices with different connectors. The illuminated round top section serves as an indicator that the cable is plugged in and that the connected device is charging. Connectors are Type C, Micro USB, 8 Pin power out, USB A & Type C power in. The braided cable and silver connectors add a touch of durability and style. This type of cable is useful when the only requirement is to charge the device, no data transfer. Material: ABS Top, Braided cables
