Description

Introducing the Boost Wireless Power Bank / Charging Station, a versatile 10,000mAh power solution designed to keep your devices charged and ready. This detachable power bank features an A grade Li-Polymer battery, offering both inductive wireless charging and traditional cable charging options. The included stylish dock allows simultaneous recharging of the power bank and wireless charging of your phone. With the capability to recharge most phones from 80% to 100%, and inputs and outputs designed for efficient charging, the Boost Wireless Power Bank is perfect for keeping all your devices powered up. Material: ABS
