Description

Discover the Shogun Speaker & Inductive Charger, an elegant fusion of technology and style. Featuring a carbon fibre look, this dual-function device combines a high-performance Bluetooth speaker with a wireless charging pad. The speaker delivers crystal-clear sound with its 2 x 5W configuration, while the inductive charger provides a 5W, 1A output with foreign object detection (FOD) for safe and efficient charging. Enjoy up to 3-4 hours of uninterrupted music with a wireless range of up to 10 metres. The device also includes an audio jack for versatile connectivity. Please note that the inductive charging function requires a connection to a power source. Material: Abs body, Steel mesh grill
