Description

Introducing the eco-conscious Tornado Tape Measure—crafted from a blend of 50% wheat fibre and BPA-free polypropylene for sustainability without compromising functionality. This 1.5m polyester tape measure features a push-button retract action with metric calibrations on one side and imperial calibrations on the other. The white tape is accented with red calibrations and a red push button for easy retraction. Designed with durability in mind, it measures 50mm in diameter, offering reliability and environmental consciousness in one compact tool. Material: Wheat Fibre & Polyester
