### Description

Stylishly designed the Oatley will stick and charge all at once and even illuminate your logo with a white LED. Powered by either 8,000 or 10,000 mAh A Grade Lithium-Polymer battery, the Oatley provides built-in suction caps to stick to your device for seamless wireless and USB options. With both Lightning and Type-C inputs and a handy foldable viewing stand the Marlow provides Foreign Object Detection (FOD) on the wireless charger and protection circuitry to stabilise the output voltage, prevent over charging and short circuit on its USB output. Compatible with any smart phone meeting the Qi wireless charging standard (e.g. iPhone 8, iPhone XR, Samsung S10) as well as tablets, cameras or any other 5V DC powered device using a cable for charging. Includes micro USB charge cable and user manual. Material: ABS.
