Description

This cool gadget turns your phone's camera flash into a bright light bulb. Most smart phone camera flashes offer descent flashlights, but they're incredibly bright and can be a little harsh on the eyes. Unless you use Lumi lamp diffuser on your phone, turning your smart phone's camera's flash into a comfortable bright light bulb that functions as a reading light, night light, emergency light or camping light. The foldable silicon lamp design makes Lumi portable and easily stored while travelling. It's easy to install on most smart phones, and even easier to remove when you need to take a call.
