Description

Pop a cork and raise a glass to the Jute Single Wine Bag, your bottle’s new best mate. Made from sturdy canvas and jute with a laminated inner, it fits one bottle of wine, gourmet oil or sauce like it was made for it. Great for wineries, restaurants and foodie events, this tote folds flat when not in use, saving space without skimping on charm. Every Jute Single Wine Bag does more than carry a bottle – it helps plant a tree. With each one sold, a donation is made toward reforestation efforts, giving us greener spaces and fresher air. It’s a feel-good promo with a serious impact. Designed to showcase your logo or message front and centre, this bag is a smart pick for brands wanting to make an impression and a difference. We also provide branded bottle openers to put inside the bag in case one is ever forgotten! Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA net per colour. For digital transfer printing, please ensure art and colours are at full opacity.
