Description

Discover the Solstice Eco Wireless Charger, an eco-conscious charging solution designed to seamlessly blend sustainability with functionality. This circular wireless charge pad is made from 50% wheat fibre, a renewable and biodegradable material. It provides efficient inductive charging for your Qi-compatible devices. Simply connect the charger to a power source using the included micro USB cable and place your phone on the pad to begin charging. The built-in inductive charging indicator helps you monitor the charging status. The Solstice Eco Wireless Charger is backed by a 12-month limited technology warranty, ensuring reliable performance. Material: 50% Wheat Fibre, 50% ABS
