Description

No waste living just got easier with the Bamboo Cutlery Set. The set includes a knife, fork, spoon, straw, and metal spoolie for cleaning the straw. All items in this set are biodegradable, sustainable, and eco-friendly. A must-have for everyone! Bundled up together in an easily portable canvas drawstring bag, just throw your new cutlery set in your handbag, backpack, or briefcase and never be caught trying to eat your lunch with your fingers again! Please note: Because these utensils are made from natural bamboo, each one will need washing before first use. If there is any pith on the inside of a straw, it can be brushed out and then washed. Pith is totally natural, and edible so should not cause concern. Comes complete with a stainless steel cleaning brush with sisal bristles. Please note that a standard digital transfer CMYK cannot match exactly PMS. To convert artwork colours from CMYK to PMS is TBA net per colour. Product Features: • Environmentally Friendly • Perfect for lunch on-the-go • Sustainable and Durable design • Plastic free Product Details: • Dimensions: 70mm W x 214mm H • Material: Bamboo • Packaging: Canvas drawstring bag. Product care: Bamboo is commonly referred to as a 'wonder' material, and its characteristics make it difficult for liquids to absorb, making cleaning a breeze.
