Description

The Groove Bamboo Phone Stand brings a clean, natural look to your desk setup. Made from high-quality bamboo, it's lightweight and compact, with an angled channel that holds your phone at just the right angle for easy viewing. A built-in cable slot keeps charging simple while you stay hands-free and focused. A smart way to keep your workspace looking sharp and organised. We can laser engrave, however, please note no two products will have the same outcome. We encourage Food Grade Ink, which is FDA-approved. Material: Natural Bamboo
