Description

Make a bold move towards sustainability with Sipco bamboo straws! Biodegradable, eco-friendly, and perfect for cold drinks, these straws are the ideal choice for anyone embracing zero-waste living. Easy to clean, 100% food safe, and built to last, they’re the perfect addition to summer drinks, smoothies, and dinner party cocktails. Please note: Because the straws are made from natural bamboo, each one will need washing before first use. If there is any pith on the inside of a straw, it can be brushed out and then washed. Pith is totally natural and edible so should not cause concern. Comes complete with a stainless steel cleaning brush with sisal bristles. &nbsp; Material: Bamboo
