Description

Keep your branding afloat with the Floating Cork Keychain. Made from lightweight, natural cork, this ellipse-shaped keyring is designed to float, making it a smart choice for boating, beach days, or any outdoor activity. It features a black rope and silver chain to help keep keys or bag tags securely in place. Add your logo with laser engraving (appears black) or pad print in up to three colours. Because cork is a natural material, some colour variation is expected. Material: Cork
