Vienna Eco Coffee Cup / RPET Band

URL Link: <https://ultimateinspiration.com.au/product/ll0448-vienna-eco-coffee-cup-rpet-band>

Description

A considered blend of sustainability and everyday function, the Vienna Eco Coffee Cup with RPET Band offers a practical, eco-conscious solution for reusable drinkware. Made from durable borosilicate glass, the 320ml cup is suitable for both hot and cold beverages, making it a reliable choice for daily use. The RPET band, made from recycled materials, provides a comfortable grip while adding a subtle eco-conscious detail to the design. Paired with an eco comfort lid made from a 50% blend of wheat fibre and polypropylene, this cup balances performance with a more responsible material choice. Each cup is presented in a kraft tuck box with a cut-out window, allowing your decoration to be visible while packaged. For best results and logo longevity, hand washing is recommended. Material: Borosilicate glass, wheat fibre/PP lid, RPET band
