Description

Combining everyday functionality with considered materials, the Vienna Coffee Cup with Silicone Lid and RPET Band offers a practical and reusable solution for daily coffee routines. Made from borosilicate glass, the 320ml cup is suitable for both hot and cold beverages, delivering durability and reliable performance. The RPET band, made from recycled materials, provides a comfortable grip while adding a subtle eco-conscious detail. A matching silicone lid offers a secure, easy-to-use finish, making it ideal for use on the go or at your desk. Lid colour can be customised to suit your branding. Each cup is presented in a kraft tuck box with a cut-out window, allowing your decoration to be visible while packaged. For care and longevity, remove the band before washing and hand washing is recommended. Material: Borosilicate glass, Silicone lid, RPET (Recycled Polyethylene terephthalate) band
