Description

The Nomad backpack is the perfect blend of style and sustainability, expertly crafted from high-quality fabrics made from recycled PET bottles. It's designed to expand your horizons and help you conquer any adventure, whether navigating the urban jungle or hiking through the bush. The isothermal chamber ensures your food stays cool or warm, the multiple pockets provide an intuitive organisation system, and the drawbridge opening allows easy access to the main compartment. In addition, the internal sleeve can carry an 18-litre hydration pack or a 15.6" laptop, while adjustable side pockets hold water bottles, a wind shell or an umbrella. Material: RPET.
