Description

Titleist golf balls are the number 1 balls on tour and perfect for all skill levels. The PRO V1 is one of the best known and highly regarded golf balls on the planet. It is faster from core to cover and has been designed to leave the club-face with more ball speed and lower long game spin to achieve more distance while providing the best short game control to help golfers shoot lower scores. It has a very soft feel that produces enhanced Drop-and-Stop greenside control which stops iron shots much faster than harder balls. The PRO V1 is nicely presented in boxes of three in an outer box of one dozen balls. The branding on the packaging is subject to change without notice and this product must be ordered in dozens. Please note this product cannot be supplied without the Titleist logo.
